

# Apple Tree Pollination Chart

Pacific Northwest • Based on 2026 Apple Selection

Choose two different varieties from the same or adjacent bloom groups.

## Early Bloom

Akane • Gravenstein • Red Gravenstein • Summerred

Sunrise • Sunrise Magic • Williams Pride

Yellow Transparent • Zestar

## Mid-Season Bloom

Ashmead's Kernel • Belle de Boskoop • Blushing Delight

Chehalis • Cox's Orange Pippin • Honeycrisp

Hudson's Golden Gem • Jonagold • Liberty

Macoun • Snowsweet • Spartan • Tasty Red

## Late Bloom

Cosmic Crisp • King • Melrose • Spitzenburg

## Crabapples (Pollinate All Apples)

Centennial • Dolgo • Whitney

Columnar apples (Gold Sentinel, Northpole, Scarlet Sentinel, Tangy Green) require a nearby pollinator.  
Combination apple trees contain multiple compatible varieties and do not require an additional pollinator.
